

Session : Users and Groups Introduction User administration

EXERCISE

By: Syed Shayan Nasir (EmployeeID: 4153)

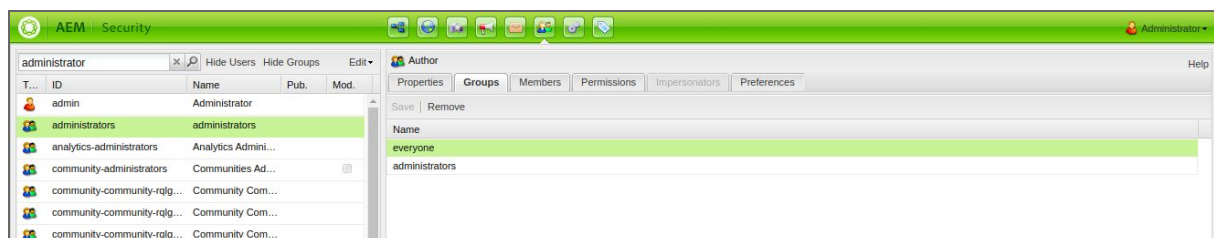

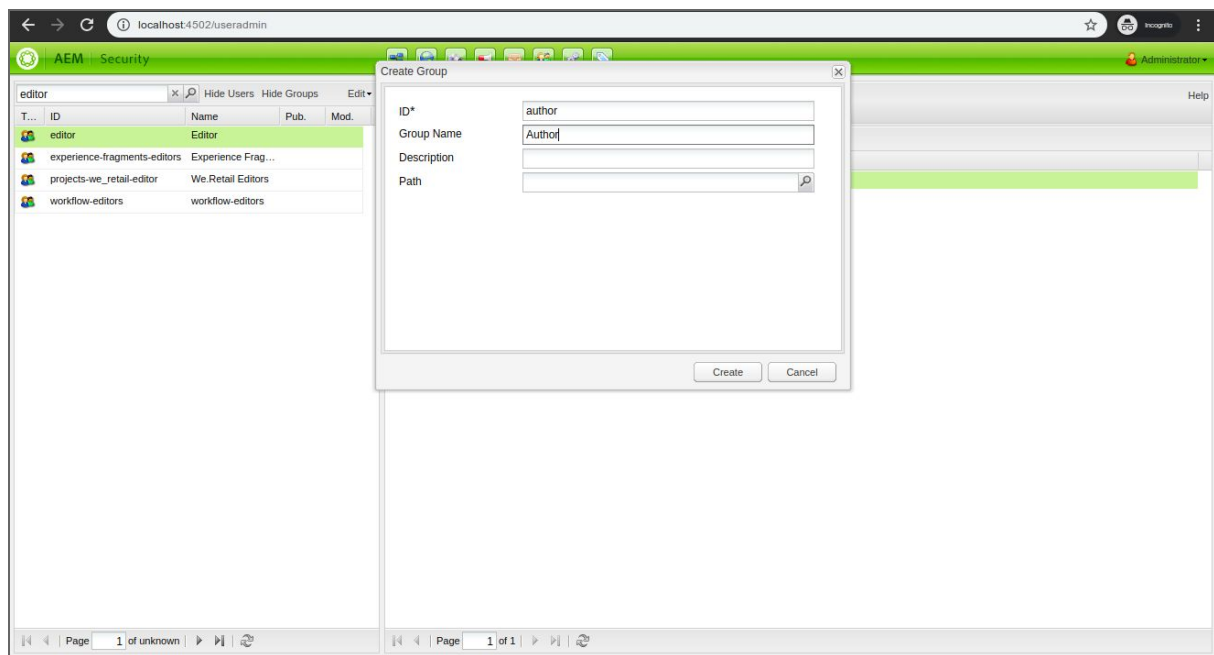

Q1. Create two groups(editor and author) and create users of each group.

Ans: Step1: Goto localhost:4502/useradmin

Step2: Edit -> Create -> Create Group

Step 3: Edit -> Create -> Create User

a. Creating User Group 'Author' and giving it the permissions of Administrator

b. Creating User Group 'Editor'

The screenshot shows the AEM Security console with the 'Create Group' dialog box open. The dialog box has the following fields:

- ID*: editor
- Group Name: Editor
- Description: (empty)
- Path: (empty)

The 'Create' button is visible at the bottom right of the dialog box. The background shows a list of existing groups with columns: T..., ID, Name, Pub., and Mod.

c. Creating User syed for Group author

The screenshot shows the AEM Security console with the 'Create User' dialog box open. The dialog box has the following fields:

- Login ID*: syed
- First Name: Shayan
- Last Name*: Nasir
- Mail: (empty)
- Password*: ***
- Confirm Password*: ***
- Path: (empty)

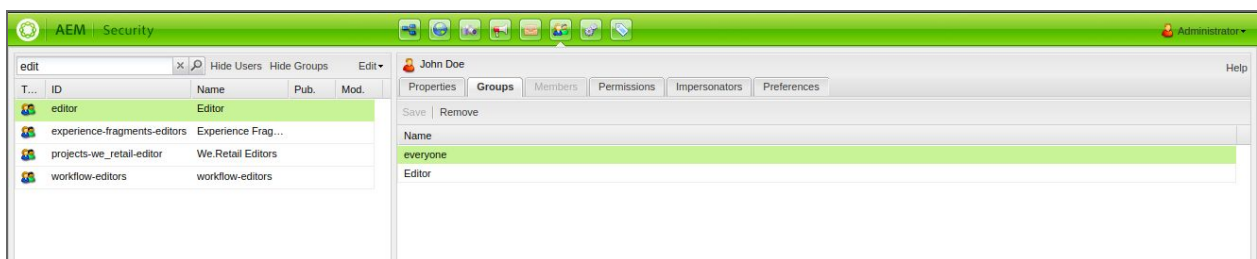

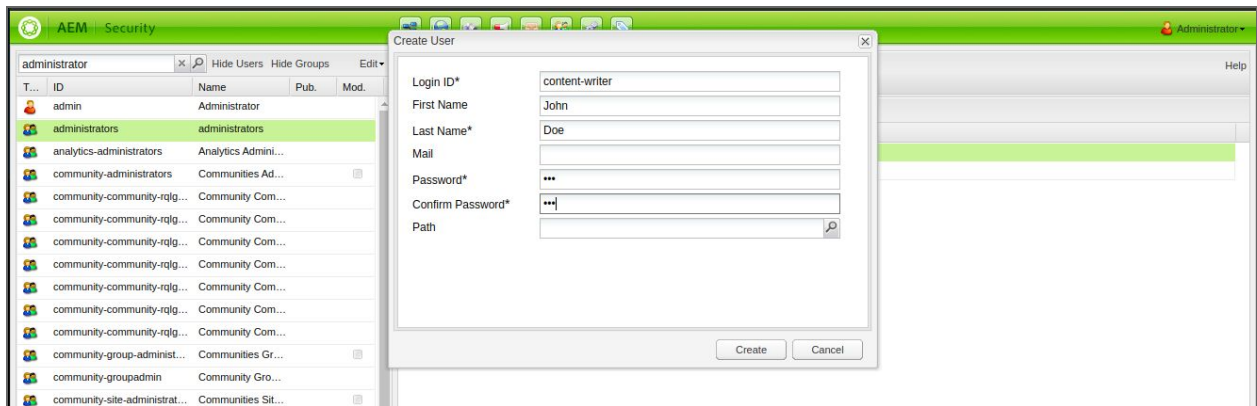

The 'Create' button is visible at the bottom right of the dialog box. The background shows a list of existing users with columns: T..., ID, Name, Pub., and Mod.

The screenshot shows the AEM Security console with the 'Groups' tab selected for the 'author' user. The 'Groups' tab shows a list of groups with columns: T..., ID, Name, Pub., and Mod.

T...	ID	Name	Pub.	Mod.
	authentication-service	authentication-s...		
	author	Author		
	author-publish-screens-ser...	author-publish-s...		
	content-authors	Authors		
	target-activity-authors	Target Activity A...		
	template-authors	template-authors		
	youtube-authenticator-user	youtube-authenti...		

The 'author' user is highlighted in the list. The 'Groups' tab shows a list of groups with columns: T..., ID, Name, Pub., and Mod.

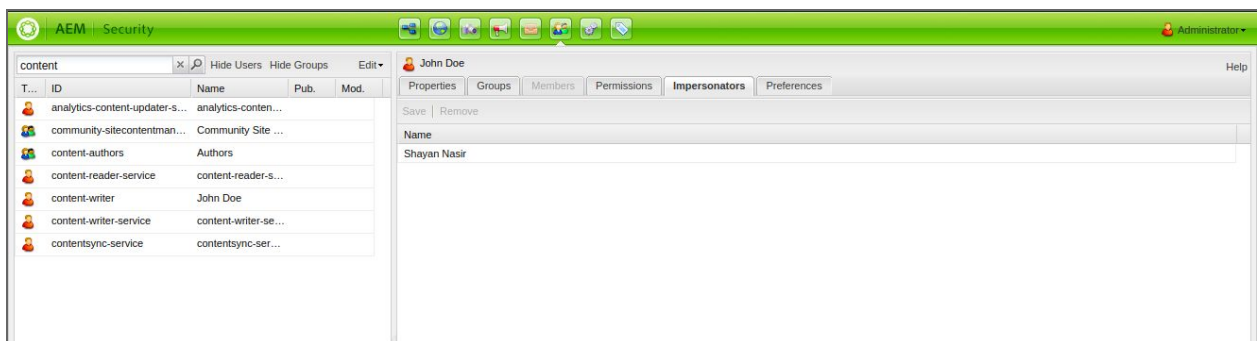

d. Creating User content-writer for Group editor

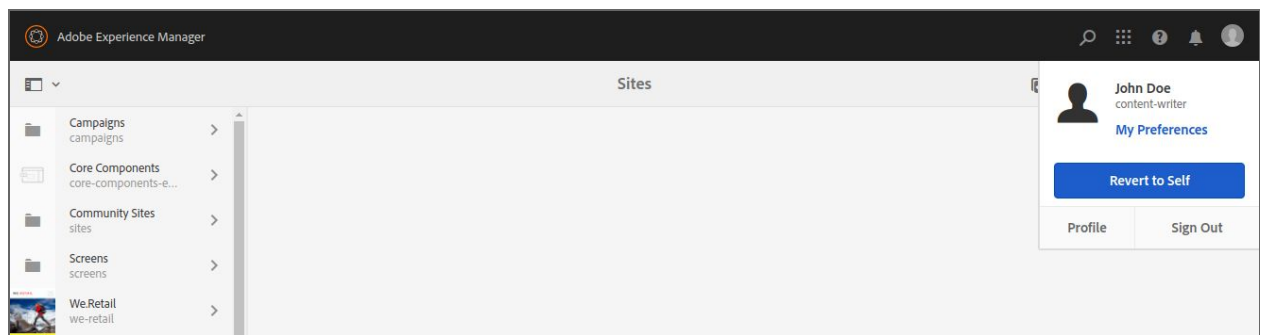

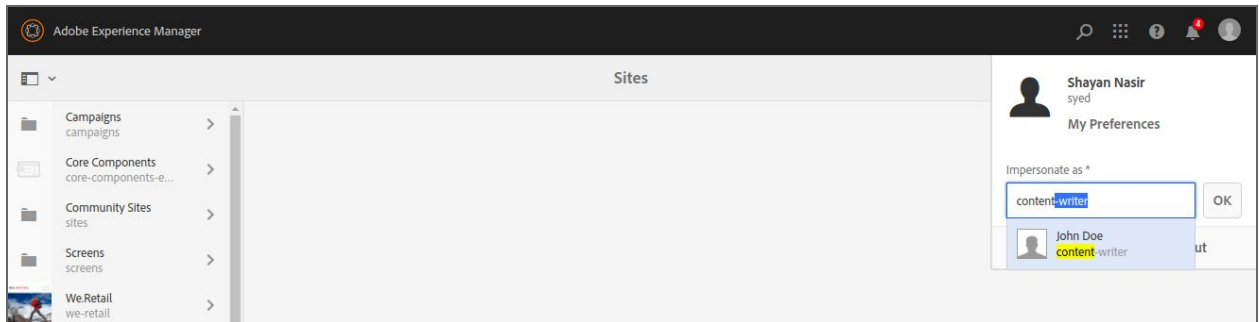

Q2. Impersonate a user of editor gp to author gp and test if you can replicate or delete the pages.

Ans:

a. Adding User of author group(Shayan Nasir) as impersonators for John Doe(content-writer)

b. Shayan Nasir(author group) impersonating John Doe (editor group)

c. Option to edit or delete not available since editor group lacks the permissions for the same.
